Lulu.com, United Kingdom, 2014. Paperback. Condition: New. Language: English. Brand new Book. Can't be bothered to revise? Find yourself putting work off? Can't get the information to stick in memory? Then this is the book for you. Written by a student for students, this advanced guide to revision techniques aims to convert your hard work into GCSE, A-level and undergraduate exam success. The author achieved straight A*'s at GCSE and A-level and is now a psychology undergraduate at the University of Oxford. This combination of current practical experience and interest in psychological research provides a unique perspective on motivation and memory - the two ingredients of successful revision. The book is written by a student who believes that everyone with the strategies to achieve will achieve. The author's first book - titled 'How to Achieve 100% in a GCSE' and written at the age of 16 - sold over 6,000 copies and was featured in the Daily Mail, The Sun and the Sunday Express magazine. The current book - 'I hate revision' - is packed full of brand new advice.
